About ScreenConnect™

ScreenConnect™ ensures no one falls through the gaps in the cancer care pathway.

We provide patient navigation, digital coordination and connected care solutions that link individuals, services and systems—so people receive the right care, at the right time, in the right place.

ScreenConnect™ is built on empathy, technology, partnerships and data, strengthening continuity of care and improving outcomes for all.

Our Promise

Every person
connected.

Every step
supported.

Every outcome
matters.

What We Do

A connected approach
to better cancer care.

PATIENT NAVIGATION

Guiding individuals through the screening, diagnosis and treatment journey with clarity and care.

CARE COORDINATION

Linking primary care, hospitals, community services and specialists for seamless support.

DIGITAL CONNECTIVITY

Using secure digital tools and platforms to improve communication, reminders and follow-up.

DATA & INSIGHT

Harnessing data to monitor pathways, reduce delays and drive continuous improvement.

EMPOWERED COMMUNITIES

Co-designing solutions with communities to ensure culturally appropriate, accessible care.

Why It Matters

REDUCES DELAYS

Faster navigation leads to earlier diagnosis and treatment.

IMPROVES EXPERIENCE

People feel informed, supported and never alone.

REDUCES INEQUALITIES

We reach those most at risk of being underserved.

BETTER OUTCOMES

Coordinated care saves lives and resources.

STRENGTHENS SYSTEMS

Connections across services create a more resilient healthcare system.

Our Approach

People. Pathways. Partnerships.

Understand

We listen to communities and map their needs.

Connect

We link people to the right services and support.

Coordinate

We align services and systems for continuity of care.

Follow Up

We ensure nobody is lost and every step is completed.

Improve

We learn, adapt and improve outcomes together.

Built on Trust and Collaboration

We work with NHS partners, local authorities, voluntary organisations, community leaders and innovators to create connected, people-centred care.

Who We Work With

Stronger together for better outcomes.

NHS & Primary Care

GP practices, PCNs, screening programmes and hospitals.

Voluntary & Charity Sector

Specialist organisations providing wraparound support.

Community & Faith Groups

Trusted voices that engage, inform and support.

Technology & Innovation

Digital health, AI and data partners driving smarter care.

Local Authorities

Public health, safeguarding and social care partners.

Patients & Families

At the heart of every decision, every solution, every improvement.

Together, we can connect care and change lives.

Let's build a future where every person,
every pathway and every outcome is connected.
